

COOL DROP

Chorus: I'm a cool drop,
I can make the pain stop,
I'm a cool drop.

I'm a cool drop
Not cold and not hot,
I'm a cool drop.

Verse 1: I can take the burn away.
I can make it all okay.
Listen to what the people say:
I am a cool drop.

Repeat Chorus

Verse 2 If there's one thing you should learn.
I'm the first thing to put on a burn.
For twenty minutes it's my turn:
I am a cool drop.

Repeat Chorus

Verse 3: Don't use ice and don't use cream.
Doctors and nurses should be seen,
And you can tell them you have been
Cooled by a cool drop.

Repeat Chorus
